

## Annual Report 2022-23:

1. "Coming together is a beginning. Staying together is progress. Working together is success." —
2. "Talent wins games, but teamwork and intelligence win championships"

The graph of this year shows about 800+ students at school This year has been a very eventful one for us. We have made great efforts to transform ourselves completely into the CCE format and have been extremely successful in most of our endeavors. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward the values they have inherited, excel in which we believe and respect all cultures of all religions and communities and promote understanding and appreciation of their valuable heritage, culture, and values. At Abhishek International School, we set standard and goals for ourselves and strive to achieve them- be it in the area of Academics, co-curricular activities, discipline, leadership and more. they do and be role models in the society.

### ACADEMICS

Academics are the core focus of our school. All the possible efforts have been taken and, we will continue to take, to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a good institution.

The academic year 2021-2022 commenced with the exclusive online classes initially and later, a hybrid model of online as well as face to face classes were introduced. Detailed guidelines were issued by the authority to be followed during this pandemic. Timing and timetable were also modified to fit to the online classes. Curriculum was modified for online classes.

The last two years has established a robust assessment system across all grades. Our assessment system is stress free and helpful to enhance student achievement and progress. It is scientifically designed and proved system, especially in primary section. The system of result analysis is rigorous at our school and the analysis of student's attainment in 2021-2022, 2022-2023 based on the school-based assessments shows that our school's over all academic performance. Quality assurance in teaching All the efforts have been taken to ensure quality in teaching. We have selected competent teachers during the current academic year and the selection process for the next academic year is going on. We have a very robust system of teacher's lesson observation which includes observation by the Principal, group observation and peer observation
